Becoming Unbecoming is one of the best informative graphic novel I came across. It provides a lot of useful facts about sexual assaults, misogyny, and victim blaming. I highly recommend this to all, particularly to women, as this will enlighten everyone on how society sometimes perceived victims to be also at fault.

It’s not about being perfect. It’s not about where you get yourself in the end. There’s power in allowing yourself to be known and heard, in owning your unique story, in using your authentic voice. And there’s grace in being willing to know and hear others. This, for me, is how we become.” — Michelle Obama, Becoming

Now that she is no longer presiding over the East Wing in the White House, Michelle Obama is grateful for the little things. One of them is toast, or rather toast she makes herself.
