eBook: Willis, Connie ...

Connie Willis is a witty and perceptive writer and Bellwether manages to be many things - biting social commentary, a thriller, a romance, a comedy - and a great story, too. Some of the characters may be (by necessity) stereotypical, but they are multi-dimensional, believable, quirky and original stereotypes.

Acces PDF Bellwether Connie Willis

Bellwether, published in 1996, is, like Willis's other books, a pure pleasure to read. There is no time travel in this book by Willis. But it still features her hallmark plot devices: missed communications, parallels and unexpected consequences from chance interactions, and clever interweaving of story lines.
