Boomerang : health care reform and the turn against ...

An incisive look at Clinton's defeat on health care, Boomerang also provides a fresh, and at times frightening, perspective on the legacy of the Reagan years. From Publishers Weekly President Clinton's defeated health care reform proposal was not the cost-raising, byzantine, cumbersome, choice-restricting mess that critics made it out to be, according to Skocpol, a professor of government and sociology at Harvard.
