professional written communication, such as a scientific report. This Handbook is framed as congenial communication from the Faculty to our students, almost speaking directions (as in a syllabus), so second person works well. First person is “I,” or “we.” Using “I” or “we” can be personal but more formal.

Public Communication. In public communication, one person speaks to a group of people; the same is true of public written communication, where one person writes a message to be read by a small or large group. The speaker or writer may ask questions, and engage the audience in a discussion (in writing, examples are an e-mail discussion or a point-counter-point series of letters to the editor ...
