Route 312 is the Chinese Route 66. It flows three thousand miles from east to west, passing through the factory towns of the coastal areas, through the rural heart of China, then up into the Gobi Desert, where it merges with the Old Silk Road. The highway witnesses every part of the social and economic revolution that is turning China upside down. In this utterly surprising and deeply personal book, acclaimed National Public Radio reporter Rob Gifford, a fluent Mandarin speaker, takes the ...

China Road A Journey into the Future of a Rising Power ...

Last week I taught a course on Chinese culture, history, and contemporary society to new arrivals in the Middle Kingdom. In preparation for the course, I had them read "China Road: A Journey into the Future of a Rising Power", by Rob Gifford.I have spent the last 2 days reading their reviews of the book (all 75 of them!), and was reminded that I wrote a review of the book a few years back.
