Dangerous Highlander Dark Sword 1

Dangerous Highlander is the first book in the new Dark Sword series about immortal Highland warriors who are possessed by ancient gods. I enjoyed this first entry into the series, except for a few parts that could have been better, but overall I think there is a lot of potential for interesting stories with warriors who were introduced in this first book.

Dangerous Highlander | Donna Grant | Macmillan

I recently finished Dangerous Highlander by Donna Grant, the first novel in her Dark Sword series. The book was published in paperback by St. Martin's Press in 2010. I don't usually give five stars to romance novels (though I am a big fan of them), but this one earned my respect early on. By chapter three I was completely hooked on this series.
