Joachim C. Fest

Fest is one of the preeminent scholars of the Nazi period whose previous books (Hitler, 1974; The Face of the Third Reich, 1970) are considered standard works in the field. Consequently, his latest work must be accorded serious attention, even (or especially) if it contradicts current interpretations.

PLOTTING HITLER'S DEATH by Joachim Fest | Kirkus Reviews

German journalist Fest wrote these psychological portraits of many of the major Nazi figures for a Berlin radio series on recent German history. Despite their "rather profane origin," the profiles are serious, astute analyses of the emotional make-ups and political roles of these Nazi individuals and the significance of each to the overall functioning of the Third Reich as a totalitarian regime.
