Following Direction Lesson For First

In this engaging reading and writing lesson plan all about following directions, young learners will be challenged to listen closely, read carefully, and remain focused throughout different activities. First, children will learn the importance of listening and following directions by playing several rounds of the game Simon Says. Then learners will get to practice following directions in nonfiction texts as they complete a word puzzle, following steps in order to arrive at the correct answer.

Following Directions | Lesson plan | Education.com

Teaching the skill of following directions requires a little hocus-pocus in this lesson. Students re-create magic tricks, evaluate the clarity of the instructions, and teach an apprentice how to perform a trick. (Grades 3-8) George Washington Teaches Map Directions If students follow "directions," they'll have a picture of George Washington.

Bible Lesson on Following Directions: Noah was given directions. The directions came from God. He was the original source of the information so Noah could trust him.

Why Should We Follow Directions? | FutureFlyingSaucers ...

We start the lesson by taking a test. I do not give any directions or read any part of the assessment. When students finish, we debrief by reading the directions. Typically, I have very few students follow the directions and "pass" the test. We go on to talk about the importance of following directions at school and in life.

Following Directions - Elementary School Counseling

Listening and following verbal or oral directions is an important skill that many students lack. You may relate to Charlie Brown's teacher after going over step-by-step directions. Students often hear the sound the teacher's voice is making, but fail to tune into the meaning of the words.
