TRUTH about the Millionaire Forex Trading Lifestyle - YouTube

The raw and hard truth is that 95% of traders lose money, while other 5% live the life of their dreams. The feeling of being a gazelle in a savannah full of lions is very common among many traders. In a world full of scammers who promise easy earnings and delude many promising traders, we distinguish ourselves by helping traders to make their dreams come true, offering them real and working opportunities.

About Us - FOREX EXPERT

I have such dream once. In my dream, EurUSD reversed and dropped non-stop for 200+ pips. After I woke up, in two hours time, the market started printing eurUSD dropping and the hourly time frame candles are red, one after the other, exactly the same way the dream is all about but I did not react or believe in my own dream.
