## Gemma

Gemma is a jewel of a name, an Italian classic that was very popular in 1980s England, but has only recently been started to be used here; it entered the list in 2008. Coming from a medieval Italian nickname for a precious gem, Gemma was the name of Dante's wife and was borne by a nineteenth century saint.

Gemma turned out to be my plan b for my birthday, at the suggestion of a friend. The space is gorgeous, with an old-world Italian feel and the ambiance is reminiscent of a mob funeral in the best sense--dripping candles, framed sketches, and dark wood. I ordered Prosecco, which was delicious, as was the olive oil and herb bread that preceded ...
