CCSS.Math.Content.6.G.A.2 Find the volume of a right rectangular prism with fractional edge lengths by packing it with unit cubes of the appropriate unit fraction edge lengths, and show that the volume is the same as would be found by multiplying the edge lengths of the prism. Apply the formulas $V = l w h$ and $V = b h$ to find volumes of right rectangular prisms with fractional edge lengths in ...

Geometry | Common Core State Standards Initiative

Apr 12, 2016 - We just wrapped up our unit on finding the surface area and volume of prisms. At our school we break up surface area and volume into 3 units (prisms, pyramids, and then cones/cylinders spheres). I have NO idea why we do this but, I definitely want to change it up next year and make it as one big unit. Day 1: Students t...
