Greddy e-Manage
Well I just had my emanage mapped with it being fitted according to the wiring diagram above, so anyone wanting to wire in an emanage to their glanza then they can use this diagram to help. I used the info in the greddy manual and supplements to draw up the above diagram, so if you want to figure out the wiring for an EP82 this is how I did it.

Wiring Diagram for Emanage Blue with Injector and Ignition ...
yer dude ive got the same thing for the e-manage blue, but the thing is theres some wires that i would of thought where really needed but they dont match with anything on the 4efte pinout if that make sense. cheers for the input tho dude its much appreciated.
