Even though the site continues to face legal issues due to the pirated access provided to books and articles, the site is still functional through various domains.

### Houdini A Mind In Chains

This book is really strange. It paints Houdini in a really negative light and the doctor/author seems to think he had just about every psychosis known to man, from megalomania to Oedipal tendencies. Some of the points he makes sort of make sense but some of it seems to have little basis in fact.

Details. Now you can perform an ESCAPE made famous by HOUDINI. The magician hands out a chain with two loops on one end and a padlock for examination. The spectator wraps the chain around the magician's wrists and fastens it shut with a padlock. The Magician escapes and the padlock is still locked shut. Everything can be examined both before and after.

### **Houdini : a mind in chains : a psychoanalytic portrait ...**

Houdini always insisted that he kept an open mind and desperately wished that mediums really could make contact with dead spirits, but he could not find any mediums who were not fraudulent. An avowed enemy of humbuggery, Houdini devoted the latter part of his life to exposing false mediums and the tricks they used.

In Houdini's performances, it was himself against the world. A very brash and egotistical showman, he hurled out challenges: nobody, be would say, could chain him up so he couldn't escape.

### **Houdini Had Nothing to Lose But His Chains - The New York ...**

Soon he extended his repertoire to include chains, ropes slung from skyscrapers, straitjackets under water, and having to escape from and hold his breath inside a sealed milk can with water in it. In 1904, thousands watched as he tried to escape from special handcuffs commissioned by London's Daily Mirror, keeping them in suspense for an hour.
