Inventing The Middle Ages Norman

Norman F. Cantor was Emeritus Professor of History, Sociology, and Comparative Literature at New York University. His many books include In the Wake of the Plague, Inventing the Middle Ages, and The Civilization of the Middle Ages, the most widely read narrative of the Middle Ages in the English language. He died in 2004.

Inventing the Middle Ages: Cantor, Norman F ...

Norman Cantor's Inventing the Middle Ages is arguably the best history book I have ever read - at the very least it belongs in my top ten. Of course, it isn't actually a book of history, but rather historiography. None-the-less, it is an absolute delight.

Inventing the Middle Ages (Audiobook) by Norman F. Cantor ...

Norman F. Cantor. William Morrow 1991. A book review by Danny Yee© 1997 <http://dannypress.com/>. Popular but scholarly historical writing is not so hard to come by. Racy, riveting, and scholarly works of historiography are much rarer—in fact Inventing the Middle Ages is the only real example I have seen.

Inventing the Middle Ages by Cantor, Norman F

Knights - armoured men on horseback - were the most iconic invention of the Middle Ages. The arrival of Norman knights in 1066 signalled the start of the medieval period, and over the next 450 years their armour and weapons were ingeniously updated to make them more powerful and less vulnerable fighting machines.
