Kids On Strike

Kids on Strike is a nonfiction account that documents the actions of child workers during the Industrial Revolution. Because many of her sources are drawn from newspaper photographs and articles from the time period, the book is formatted as a series of headlines and almost-newspaper format.

Kids On Strike! by Susan Campbell Bartoletti

Some protests, including the mill girls' strike for higher wages in 1836 New England and the New York City rent protest led by sixteen-year-old Pauline Newman, were organized by young people. Others, such as the turn-of-the-century Pennsylvania coal strikes, were initiated by adult workers, although children also participated.

From the coal mines of Pennsylvania to the cotton mills of New England, children worked long hours every day under stunningly inhumane conditions. After years and years of oppression, children began to organize and make demands for better wages, fairer housing costs, and safer working environments. Some strikes led by young people were successful; some were not.
