The Centre for Library and Information Management Studies (CLIMS), offers Masters, PG Diploma and Ph.D programmes in Library and Information Science field. Master's programme in Library and Information Science (MLIS) is being offered since 2013 with an intake of 15 students.

About Us | Centre for Library and Information Management

Library and information science is viewed as a field that started as a multidisciplinary field based on literature, psychology, sociology, management, computer science etc., which is developing towards an academic discipline in its own right. However, the following quote seems to indicate that LIS is actually developing in the opposite direction:
