The Mr Midnight Series is one of the few books out there which invites readers to send in their stories to which the author will selected from and continue from there. It's a nice idea though, especially when you consider that some people out there have really wonderful imaginations.

Amazon.com: Customer reviews: The Demon Dentist (Mr ...

So much about this film makes no sense.The juxtaposition of American and South African accents with no sense of where its supposed to be set.The killer is a complete blank,we never find out if hes a "demon" of the title or just some homicidal nut.Many of the murders make no sense whatsoever,he kidnaps women,kills people randomly and does this weird heavy breathing.Police are nowhere to be seen.And it feels like two different films merged into one,with the Cameron Mitchell psychic subplot ...

The Demon (1979) - IMDb

Mr. Midnight is a children's horror fiction book series written by Jim Aitchison under the pseudonym of James Lee. The series is published by Angsana Books, Flame Of The Forest Publishing. There are currently 124 books in the series, including 25 Special Edition titles, with more being written and released around every two to four months. Mr. Midnight | Fran Bow Wiki | Fandom

Demons, or in some cases Half-Demons, are a species of supernatural creatures introduced in Midnight, Texas. When demons die, they become Demonic Spirits. Demons are malevolent beings that are not inherent of the Earth, but of Hell. Half-demons, however, are the offspring of the union of a human and demon, though why they came into existence remains unknown.
