Museum Of Human Beings

The Museum of Human Beings demonstrates how Native Americans were treated as sub-humans by Europeans, and for this reason it is an important work. Colin Sargent told his story well. However, as well-written as the book is, it's too depressing for me to want to re-read.

Amazon.com: Museum of Human Beings: A Novel (9781590133491 ...

Museum of Human Beings, included in the National American Indian Heritage Month Booklist, November 2012 and 2013 is a novel written by Colin Sargent, which delves into the heart-rending life of Jean-Baptiste Charbonneau, the son of Sacagawea. Sacagawea was the Native American guide, who at 16 led the Lewis and Clark expedition.
