Post updated August 17th, 2019 at 02:35 pm. In a recent interview, Simon Kinberg compared X-Men: Dark Phoenix to The Dark Knight and Logan. I can see why. There are similarities, at least tonally speaking. Outside of Logan, the X-Men films, good or bad have always had an exciting tone. Sure, the sociopolitical undercurrents are always present (Martin Luther King Jr vs Malcolm X and oppression ...

Scorpio is represented by the pitch black of night—the dark night of the soul that you're not sure will ever end. It rules those wounds that we suspect we'll never recover from before we are resurrected. The Scorpio glyph comes from an Egyptian hieroglyph for the snake, who sheds its skin, bringing the new layers to the surface.

Sin Separates Us from God ... 9 Therefore justice is far from us, and righteousness does not reach us. We hope for light, but there is darkness; for brightness, but we walk in gloom. 10 Like the blind, we feel our way along the wall, groping like those without eyes. We stumble at midday as in the twilight; among the vigorous we are like the dead. 11 We all growl like bears and moan like doves.
