People Styles At Work D

People Styles at Work . . . and Beyond does this by offering a self-assessment to determine which style you are and then uses that information to teach readers how to: recognize how they come across to other coworkers; read others' body language and behavior to identify the best ways to work with them; make small adjustments that will dramatically increase the quality and productivity of their interactions; find common ground with different people while retaining their individuality; relate ...

People Styles at Work...And Beyond: Making Bad ...

Many of us have taken personality tests, such as Myers-Briggs, for the workplace. People Styles takes a different angle on the concept. Rather than worry too much about what makes you tick, the focus is on how you communicate with other people. The authors boil communications styles to four basic types: Drivers, Analytics, Emotives, and Amiables.
