The "10" line of Peugeot superminis had commenced in 1972 with the launch of the 104, one of the first modern European superminis. The 104 was effectively replaced by the Peugeot 205 in 1983, but remained in production for some markets until 1988. There was no "105". The 106 was introduced as a three door hatchback in continental Europe in September 1991, and two months later in the United Kingdom.
