several years. That means you've got access to an entire library of classic literature that you can read on the computer or on a variety of mobile devices and eBook readers.

Rape Loot Pillage The Political

In Rape Loot Pillage, Sara Meger argues that sexual violence is a form of gender-based political violence (perpetrated against both men and women) and a manifestation of unequal gender relations that are exacerbated by the social, political, and economic conditions of war. She looks at trends in the form and function of sexual violence in recent and ongoing conflicts to contend that, in different contexts, sexual violence takes different forms and is used in pursuit of different objectives.
