The flipped classroom is not an online course. It is a way to engage students and make them more active in the learning process. Students watch a short video lecture for homework (click on the video below for an example) and take notes and complete practice examples. In the classroom these problems are evaluated by the students and teacher to address difficulties and misconceptions.

Mr. Palermo's Flipped Chemistry Classroom - www.mrpalermo.com

Students who complete the topic review early will have more time to work on practice Regents Exams. You can view our daily calendar by going to my Regents Chemistry homepage and clicking on the " HOMEWORK: Regents Chemistry " link. The classroom review will be largely driven by student questions that generate class discussions.
