Math journals work the same way, except the prompts are about math. Here are a few math journal entries produced by K-4 students in New York City during my demonstration lessons as a math coach. These are students' initial attempts at math journaling (their very first prompts).

### Everything You Need to Know About Math Journals

Imagine you woke up and saw a dinosaur in your backyard. Write a story telling what you see and do. Imagine you opened your own restaurant. Tell the name of your restaurant. Explain what the restaurant looks like, who works there, and what you serve. Describe your favorite character from a book, a movie, or television.

### Creative Writing Journal Prompts

Children in second grade are just beginning to develop their writing skills. By second grade, students should start expressing opinions, recounting narratives, and providing step-by-step instructions in their writing. These second grade writing prompts capitalize on age-appropriate topics to spark students' creativity and engage them in the writing process.

### Second Grade Writing Prompts - ThoughtCo

Fun Daily Writing Prompts for Second Graders— For young students who have to focus on everything from school to sports to after-school activities, it can be tough to slow down and reflect on the aspects of their lives that form their identities. Fortunately, journaling gives second-graders the chance to express their thoughts and emotions on paper and to see where their feelings come from.
