Shades Of Grey The Road

Shades of Grey: The Road to High Saffron (2012, simply titled Shades of Grey originally) is a dystopian novel, the first in the Shades of Grey series by novelist Jasper Fforde. The story takes place in Chromatacia, an alternate version of the United Kingdom wherein social class is determined by one's ability to perceive colour.

Shades of Grey - Wikipedia

Shades of Grey: The Road to High Saffron is Jasper Fforde at his weirdest. It contains a delightfully bizarre and humorous look at a post-apocalyptic world hundreds (if not thousands...the timeline is a bit vague) years in the future where a future species of "human" lives in a society structured on ones ability to see color.

Jasper Fforde's Shades of Grey surprised the hell out of me. I've been working with color for almost 60 years, and yet marvel at the world Fforde has spun out of everyday color theory. While there is humor, the story becomes darker, the characters more intense, the world more strange and disturbing with each turn of the page.
