In Terraria, from indie dev. Re-Logic, you're going to struggle... an awful lot. That is, unless you get your craft on. Who are we kidding, you're still going to have a heck of time bringing light to dark places. Some items in Terraria are mundane or simple, requiring little effort to craft. Some others, however, are rare and epic, requiring special materials like Demonite, Meteorite, Shadow Scales, and Rotten Chunks.
