The American Political System Full

The American Political System is the best text I have read when it comes to a deeper understanding of the mechanics and meaning of American politics. We see how and why things happened, not just what happened. History is brought in to the picture to illuminate present day issues, and the format of this book creates a meaningful course.

THE AMERICAN POLITICAL SYSTEM (2) 2. American Specificities In this section, I mean to stress the aspects of the American political life with which you may not be so familiar because they differ from other democracies. For instance, I will not ponder on how a law is passed, because it is rather similar to what you know from the French system¹.
