Intro The catastrophic plague known as the Black Death hit Europe in 1348 and swept through the continent rapidly. It would eventually kill between a third and half of the population. These huge death tolls sparked off a chain of events that would change the position of the peasant in England forever.

Chronicle of the Black Death - British Library

According to the Nikon Chronicle, "Bysk's sea in Pskov is very strong throughout the whole of Pskov's land, but soon death would happen: the blood of a man would bleed, and on the third day it would die, and death would be everywhere". Further, the chronicles report that the priests did not have time to bury the dead.

Chronicle Spreading of the Black Plague - About History

The Cronaca fiorentina di Marchionne di Coppo Stefani (English: Florentine Chronicle of Marchionne di Coppo Stefani) written by Baldassarre Bonaiuti is considered today as one of the best works written on the Black Death in Florence in the year 1348. It is the only known literary work by Bonaiuti. It was written in vulgar Latin. There is no information as to when he may have started his work, but he devoted much time on it in his retirement from about 1378 until his death, a period of seven ...

Cronaca fiorentina di Marchionne di Coppo Stefani - Wikipedia

A Chronicle of the Plague is the second studio album by dark ambient band Dark Ages, recorded in July and September 2006. Its lyrical themes are that of the Black Plague. Supernal Music website describes the album as "more melodic than [Twilight of Europe], and inspired on the horrors of the Middle Ages.

A small land-owner who was not a member of any of the Arti, Marchionne was active politically in the 1370s, undertaking numerous embassies, and acting as podestà of outlying towns. His chronicle was started in the late 1370s as his political career ran into trouble, and follows Villani for the early history.

Decameron Web | Plague

The name "Black Death," commonly given to the plague of 1348, was the expression of the dread and horror aroused by the disease. Gloom went before and popular imagination depicted the plague as a man mounted on a black horse, or else as a black giant striding along, his head reaching above the roofs of the houses.
