The Genesis narrative states that light existed before the Sun was created (Genesis 1:3,16), while evolution contends that the Sun was the Earth's first light. The Bible specifically states that there were "waters above," separated by an expanse [ASVfn] from the waters upon the Earth [which doubtless condensed at the time of the Flood].

Are Genesis and Evolution Compatible? : Christian Courier

According to theistic evolution, there is a long, progressive connection of all living creatures that can be represented in one tree of life. According to Genesis, Adam was immediately made in the image of God, and Eve was made from Adam; both of them were created fully-formed.
