'The Knight' is the second installment in Skye Warren's newest series entitled 'End Game' and like the previous installment held me at the edge of my seat the entire time. Gripping, fantastically written with some interesting angst and suspense, this second book was enthralling, captivating, erotic and deliciously mysterious.

A knight's tour is a sequence of moves of a knight on a chessboard such that the knight visits every square exactly once. If the knight ends on a square that is one knight's move from the beginning square (so that it could tour the board again immediately, following the same path), the tour is closed; otherwise, it is open.
