Book Review: The Limits of the Market by Paul De Grauwe. The Limits of the Market- The pendulum between government and market, Paul De Grauwe, 2017, Oxford University Press. I was thoroughly enjoying this short, simple book that was saying a lot to me with its concise and focused material. The short book does a great job, until the last third, in explaining the theory and implication of how resources are allocated under a market system (think capitalism) and a government system (think ...
