### **The Wisdom Of Finance How**

"The Wisdom of Finance is required reading for anyone interested in finance or in pursuing a career in the industry. Mihir eloquently traces the products, practices, and services of our modern financial system to their roots while providing literary context and illustration.

### **The Wisdom of Finance: Discovering Humanity in the World ...**

The Wisdom of Finance, on the other hand, offers a refreshing perspective of how it is an intricate part of our lives, instead of something far and alien. By bringing in the humanities and more importantly - some examples very close to the real world - to bridge the gap, Prof Desai has done an incredible job in making the book very much interesting and informative.

### **The Wisdom of Finance: How the Humanities Can Illuminate ...**

The Wisdom of Finance is worth reading if only to marvel at Mihir Desai's amazing mind, wide range, and exciting set of insights. The book undersells itself, claiming to use a range of novels, movies, music, TV shows, philosophy and history to better understand and illuminate finance.

### **The Wisdom of Finance: Discovering Humanity in the World ...**

The Wisdom of Finance (2017) demonstrates that the world of finance has much to teach us, despite its reputation for avarice and irresponsibility. And likewise, there is much that finance can learn from our wider human endeavors, like literature, art, and philosophy.

### **The Wisdom of Finance by Mihir A. Desai**

"In The Wisdom of Finance, Mihir Desai masterfully achieves two goals - bringing great clarity to how finance works and why it is important, and shining a bright light on how the humanities helps us to better understand our lives and world."

### **The Wisdom Of Finance - By Mihir Desai (Hardcover) : Target**

In The Wisdom of Finance, he attempts to inject the craft of storytelling into the dry world of finance. He deploys literature, music, movies and art to explain the fundamental concepts of finance. In a long time, I have read a book about finance where the author talks about 'great values' in finance.

Leverage in finance is a fancy way of saying “borrowing money”. The analogy is based on the idea of a lever, which enables you to move items that would otherwise be too heavy to lift. In finance, leverage enables you to buy things you would otherwise be unable to buy and amplifies returns in both directions.
