Uncertain States Of Europe

The United States of Europe (USE), the European State, the European Superstate, the European Federation and Federal Europe are similar hypothetical scenarios of a single sovereign country in Europe, organised as a federation (hence superstate), similar to the United States of America, as contemplated by political scientists, politicians, geographers, historians, futurologists, and fiction writers.

United States of Europe - Wikipedia

The list below includes all entities falling even partially under any of the various common definitions of Europe, geographical or political. Fifty generally recognised sovereign states, Kosovo with limited, but substantial, international recognition, and five largely unrecognised de facto states with limited to no recognition, are listed with territory in Europe and/or membership in ...

List of sovereign states and dependent territories in Europe

History of Europe - History of Europe - The interwar years: Woodrow Wilson's vision of a general association of nations took shape in the League of Nations, founded in 1920. Its basic constitution was the Covenant—Wilson's word, chosen, as he said, "because I am an old Presbyterian." The Covenant was embodied in the Versailles and other peace treaties.

History of Europe - The interwar years | Britannica

Recent representations of the European project have, more often than not, characterized it as 'uncertain', 'weak', and even 'indeterminate'. In this article, I look to the political — and geopolitical — ramifications of such understandings, in particular as regards Europe's role in the world.

USE - Uncertain States of Europe | AcronymAttic

Uncertain States is a lens-based, artist led project. The work we show reflects some key social and political concerns and challenges how perception is formed in a new contemporary society, on issues as diverse as politics, religion and personal identity. Releasing a quarterly broadsheet and through regular discussions we attempt to expand a ...

Uncertain States

Historic memories and bitterness. Many Hungarians felt let down by the switch from communism to free-market capitalism in 1989. Instead of being granted a long-denied sense of autonomy, Russian domination was rapidly replaced by EU mandates. Still, Hungary is not a particularly "Eurosceptic" nation.
