Offering your product as wholesale allows a larger audience access to your wares, therefore you are able to grow your business quickly. This can drive interest for your product and can make you attractive to retailers who can see that there is a solid audience for your goods and are more likely to want to stock your product. 1. Brand Awareness

Retail vs Wholesale: Understanding the Differences and ...

A wholesaler is a company or person that buys products in bulk from manufacturers and sells them to retailers. Whether you want to sell online or from a retail storefront, if you're not manufacturing products yourself, you have to get products to sell from another source. While you might be able to buy directly from a manufacturer, you'll most likely buy from a wholesaler.

Wholesaler: What Is It?

Wholesale can provide you with more stability because the responsibility for selling your product to consumers by-and-large falls to the wholesale buyer. Wholesaling also comes with fewer expenses, at least when compared to the money spent year-round on in-store marketing and standard retail overhead.
